

# At Your Cross – Worth Dying For

---

## Chorus

**G Bm A**  
At your cross, I fall facedown  
**G Bm A**  
At your feet, I lay myself  
**G**  
Holding nothing back  
**Bm A G A**  
Here in this time with you

## Bridge

**G A**  
If my lungs can't sing  
**Bm**  
I'll sing with my heart  
**A**  
With my soul, with my mind  
**G (Last time: end A)**  
I'll sing it for you

## "At The Cross" Refrain

**D**  
At the cross, at the cross  
**A**  
Where I first saw the light  
**G D**  
And the burden of my heart rolled away  
**G**  
It was there by faith  
**Bm**  
I received my sight  
**A D**  
And now I am happy all the day
